

Declaration of Conformity

Altronic hereby declares that the equipment listed in Table 1 of this document are designed and manufactured in conformance with the provisions of ATEX directive 94/9/EC when installed and maintained in accordance with the applicable Altronic installation instructions with associated Altronic components suitable for use in hazardous areas.

The harmonized European standards that apply to these products are:

IEC 60079-0-6:2011 Electrical Apparatus for Explosive Gas Atmospheres - General Requirement

IEC 60079-10-1:2015 Classification of areas - Explosive gas atmospheres

IEC 60079-11-6:2011 Electrical Apparatus for Explosive Gas Atmospheres - Intrinsic Safety "i"

IEC 60079-14:2013 Explosive atmospheres - Part 14: Electrical installations design, selection and erection

IEC 60079-15-4:2010 Electrical Apparatus for Explosive Gas Atmospheres - Type of Protection "n"
